# The District of Columbia Air National Guard

Is an Equal Opportunity Affirmative Action Employer

**Technician Announcement Number:** 06-075

**Position:** Production Controller - Aircraft, GS-1152-07, 50020000

**Brief Description of Duties:** Secures and analyzes data for planning and scheduling the utilization and maintenance of all assigned aircraft propulsion units and associated equipment through all phases of maintenance. Ensures that time change records are established on all life limit items. Administers the base engine management program. Develops local engine management policy and procedures in coordination with the Propulsion Shop Chief. Initiates all aircraft engines and components into automated data base. Reconciles the rejects from the Central Data Bank (CDB). Verifies the accuracy of all initialized engines, applicable part number and serial number components, and manual computations made in determining the number of cycles on an engine to track accumulation of intensity of wear on engine ("K" factors). Ensures that changes in serial number items are made promptly when the CDB informs base level of duplicate serial numbers and processes data by the next working day after receipt. Receives and reviews all engine related TCTOs. Receives, records, confirms, and analyzes the engine health monitoring equipment maintenance forms daily. Makes required inputs to the automated data system and retrieves data and/or computer generated products as required. Performs other duties as assigned.

**Qualifications:** GS-07

**General Experience:** Experience, education, or training which indicates the candidate can reason in quantitative terms, can express himself orally and in writing, and understands the terminology and data pertaining to the repair operations and processes characteristic of the production activity.

**Specialized Experience:**

Must demonstrate Twelve (12) months experience in which the following Knowledge, Skills, and Abilities (KSA's) as described below have been attained.

**Knowledge, Skills and Abilities (KSA's) Statements - GS-07**

- A. Ability to communicate both orally and in writing.
- B. Knowledge of functions and procedures of production control and of the records.
- C. Ability to ascertain the causes for delays in completion of work orders.
- D. Ability to exercise initiative in taking timely action to schedule and obtain required materials.

**Current Unit assignment, AFSC/SSI and Military grade must be included on application.**

**Incomplete applications will not be considered for employment.**
